RE: File SA 5209

Dear Ms. Pluskowski:

In reply to your letter of December 31, 1980, this is to advise that Safety Light Corporation requests the establishment of Listing and Follow-up Service in our name utilizing the results of investigations undertaken for United States Radium Corporation in File No. SA 5209.

Our Company name and address is to appear as shown in our letterhead in the Laboratories' records as the Manufacturer, Applicant and Listee.

Since we have only changed our corporate name, we are not enclosing a letter of waiver from United States Radium Corporation per item 2 of the Bullentin of Information on Changes in Name, Ownership or Corporate Structure. In addition, we cannot enclose copies of the legal documents concerning this change, as they are located in our corporate headquarters (now known as USR Industries Inc. instead of United States Radium Corporation).

Should you require anything further, please advise immediately.

Very truly yours,
SAFETY LIGHT CORPORATION

Jack Miller
President
